HORIZONS
UNLIMITED

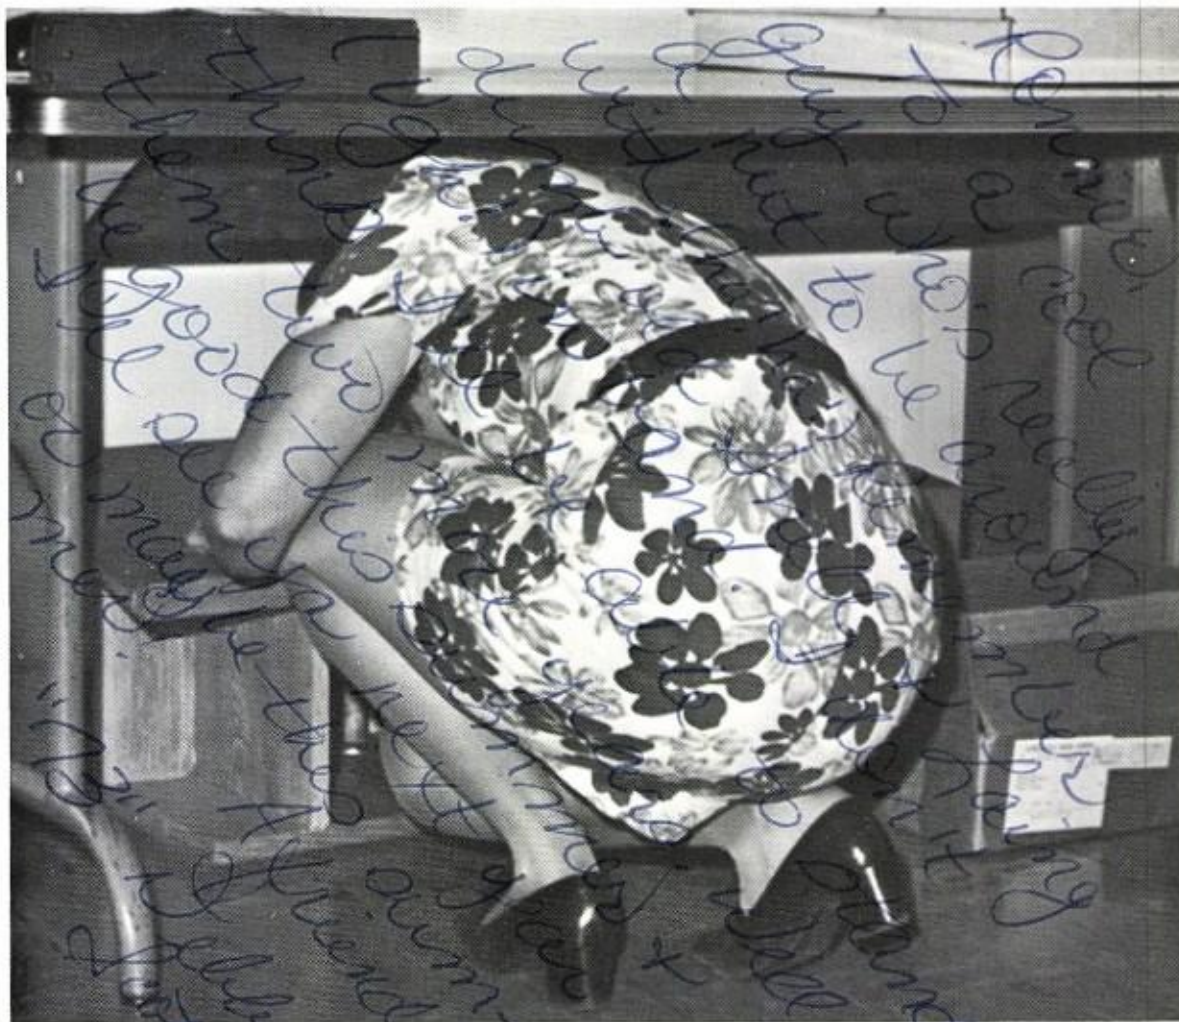

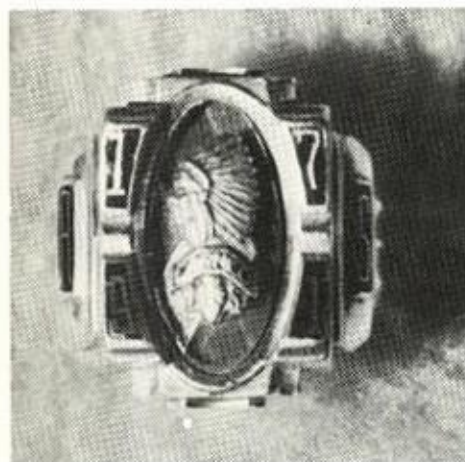

Betty M. Lee
Jr. English &
Journalism

DEDICATED TO — Mrs. Lee —

She may not have the agility of a Mr. Fischer nor be as controversial as Mr. Schauner. She may not have the mind of a Mr. Gaede and her figure may not quite parallel that of Mr. Sneed. She may on occasion hide behind a wig and eat candy (she calls them cough drops) by the dozen. But for her steadfastness and courage in outlasting the tumultuous Journalism class of 1971, we dedicate this, the greatest annual in LHS history, to Mrs. Betty M. Lee.

Mrs. Lee takes time out of her busy schedule to play a game of hide and seek with the Journalism class.

You can forgive,
You can regret,
But you can never, never forget.

REMINISCING . . .

When the class of '71 first walked through the doors of L. H. S., not only did everyone see us, but they also felt the presence of an emerging quality of leadership.

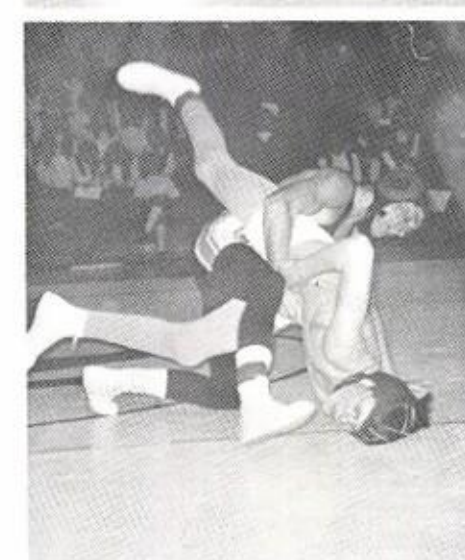

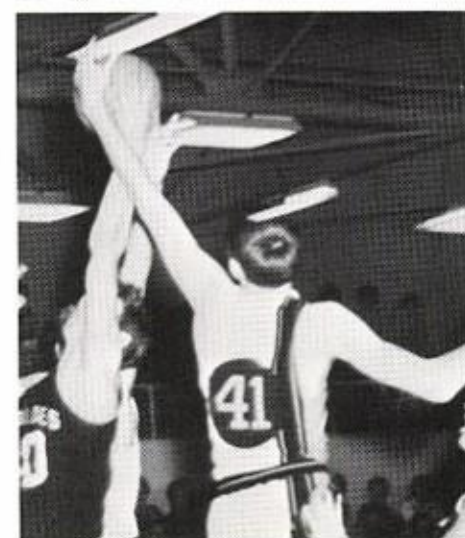

Because of the way we yelled our class yell, everyone could tell that we were just sophomores, but we were proud ones at that. We chose Yust, Fleske, and George as our leaders with Grushnys as class cheerleader. This was our first chance to show our talents in an all school musical, "My Fair Lady." Yes, it was a good year to remember.

Then all of a sudden, we were glorious juniors. More and more responsibilities became our own. Yust, Snyder, and Meyers were now our leaders and Fleske, our class cheerleader, helped us out-yell everyone else. We put on an outstanding Jr. Class play, "You Can't Take It With You." The musical that year was "H. M. S. Pinafore." We worked long hard hours to put on the prom of the century, "Land of the Rising Sun." Would anyone like to buy fire extinguishers guaranteed for one full year?

After what seemed like endless months, we became "SENIORS" at last. We elected Snyder, Yust, and Stone to lead us. George took position as class cheerleader. Our last musical, "Bye-Bye Birdie," was a smashing success. We painted the hill and stamped it permanently with our number "71." Those wonderful months of football, basketball, and wrestling were made complete with the crowning of our Football Homecoming Queen, Marsha Kay, our Winter Sports Homecoming Queen, Marsha Jo, and the clinching of our 1st place title in the St. John Tournament. Lonnie and Cristi reigned as Chieftain King and Queen. Senior keys and announcements were chosen. As graduation neared, the realization that we had at last reached that final "point of no return" brought tears of sadness amid shouts of joy.

Our high school years were truly "unforgettable" and in future years we shall look back and remember those glorious as well as sad moments we spent together, we

THE CASE OF THE

Once upon a time on a cold, windy winter day in the life of Mr. Schauner he entered upon his government classroom only to find the Senior class of 71 absent.

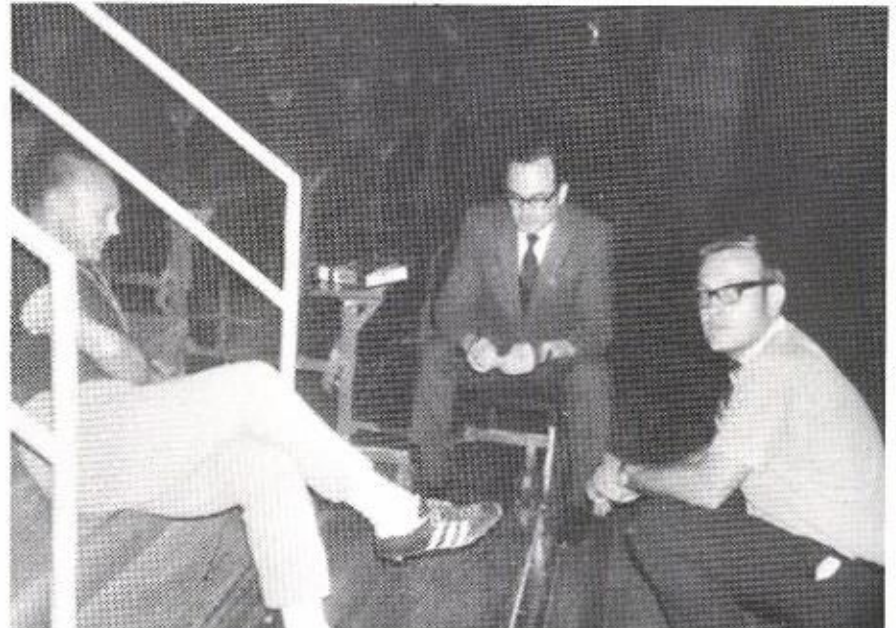

In frantic dismay the troubled Schauner rushed to break his perplexing discovery to Miss Totten. Miss Totten appeared near tears as Schauner delivered his bad tidings.

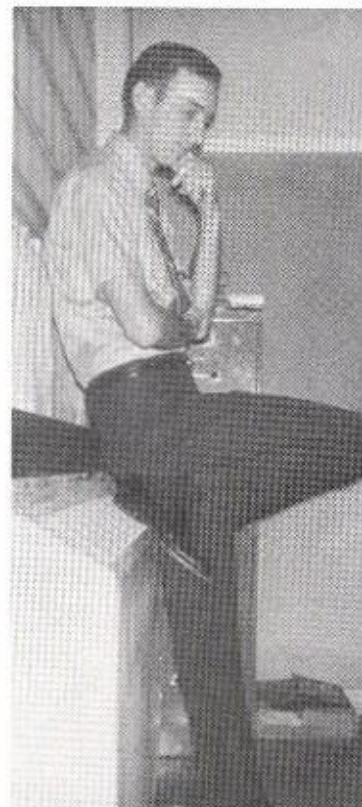

Mr. Burkes, hearing the sobbing from across the hall, rushed to aid Schauner and Totten. The three stood in mournful silence.

Soon the news of the missing Seniors had spread throughout the school. The Big Three met in an emergency meeting to discuss the situation.

Intensive research was begun as the great minds of LHS groped for clues as to the whereabouts of the Class of 71.

Mr. Fischer put his vast mind in search of the solution. Yet still nothing occurred.

MISSING SENIORS

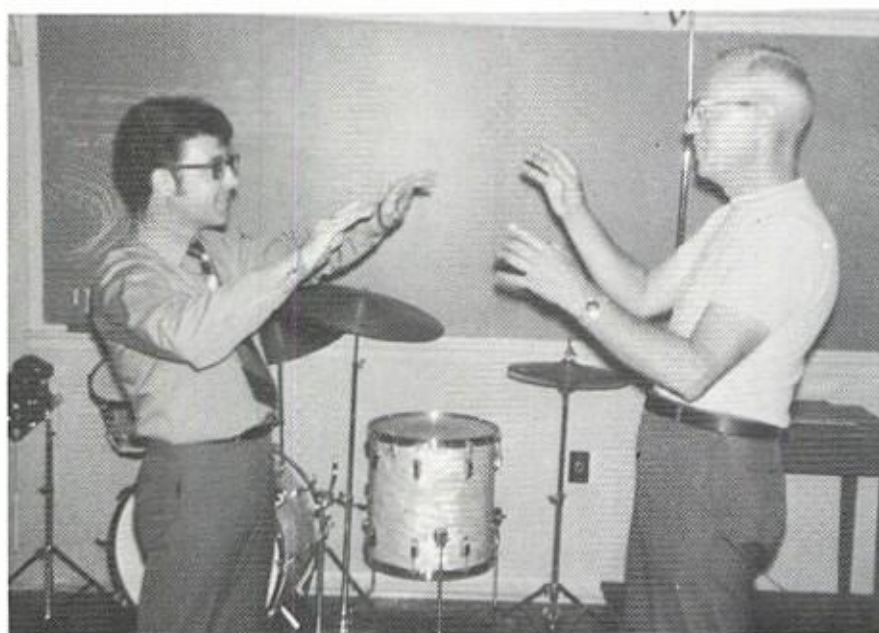

Meanwhile, Mr. Gaede went to great lengths to explain that he didn't know what happened to the Seniors either.

Just as things were appearing the darkest Mr. Gathman was heard to exclaim "I've got it!" Mr. Gathman had solved the case of the missing Seniors!

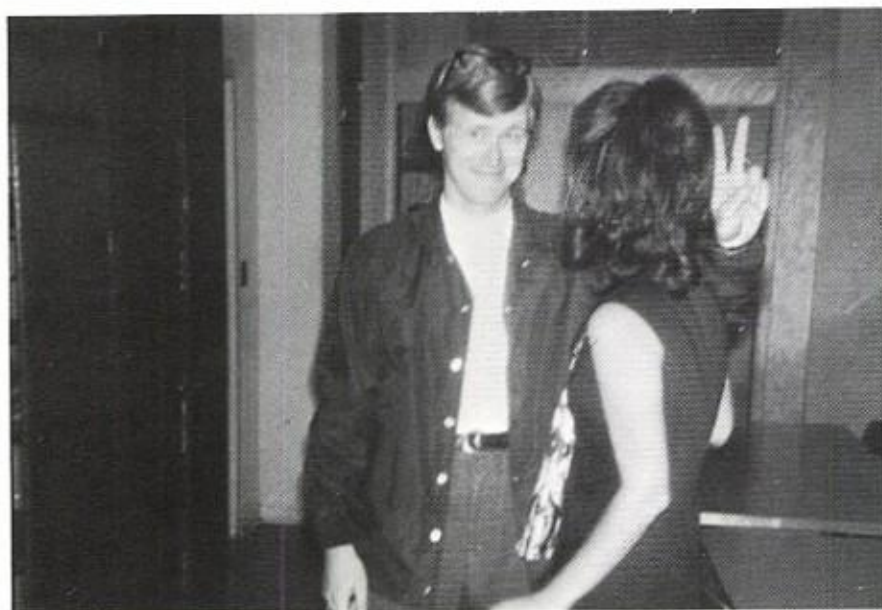

With the crises now resolved harmony was once again returned to Larned High School...

... And happiness once again roamed the halls of LHS.

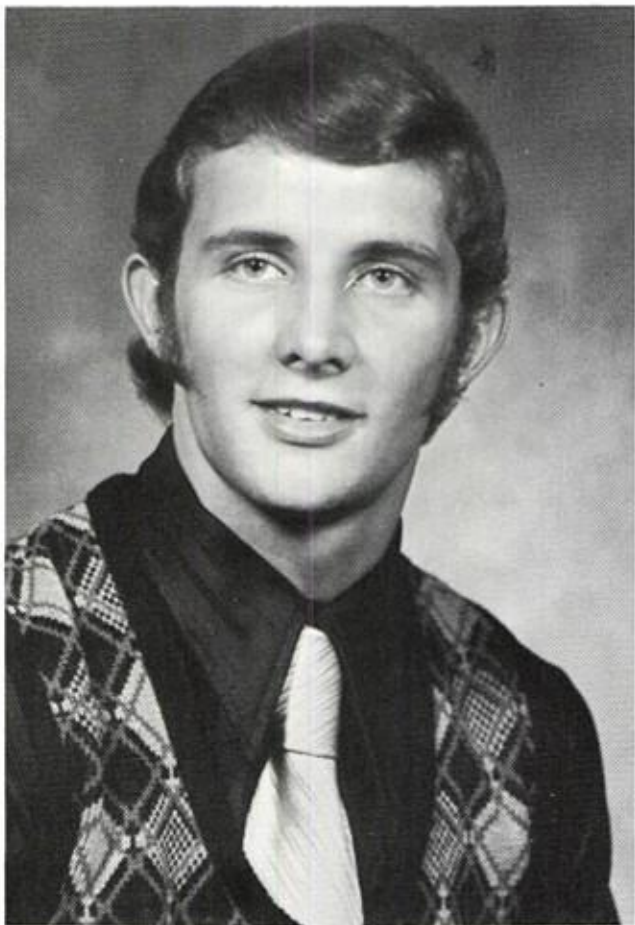

Meanwhile, an overjoyed Mr. Schauner did some celebrating on his own.

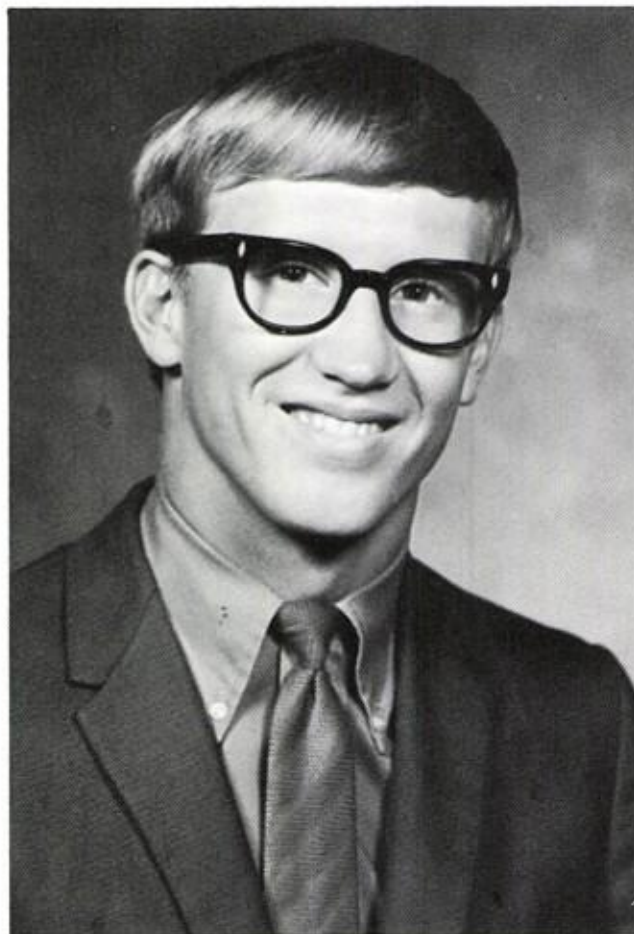

And so ends the Case of the Missing Seniors. And where had the Seniors been on that cold and windy winter day? Just turn the page and find out.

"All-Winter Sports" became the new title for what formerly was basketball homecoming. The title was derived from the combination of all the winter sports participants. Tradition, being broken once already, was again changed by having the crowning ceremony during an assembly. The combined crowning ceremony, in which Marsha Fox was named queen, and pep assembly succeeded in bringing about another Indian victory!

"1970-71 INDIAN FOOT

This year the Larned Indians' football team exhibited many new looks. First of all the team played with a look of pride and teamwork. The 41 man squad was considered one of Coach Geier's best teams. Larned's offense ran the wish-bone T made famous by the Texas Longhorns while the defense changed to the 4-3 formation used by many Pros. This year Larned tied for third in the WCKL with Great Bend and Garden City. The Indians also placed three members on the All-League team while eight others received honorable mention.

LARNED 20 LYONS 2

The Larned Indians opened their season with a triumphant victory over Lyons. Although the offense and defense lacked polish, Coach Geier said the Indians played well for their first game. The only Lyons score resulted from a blocked punt recovered in the end zone.

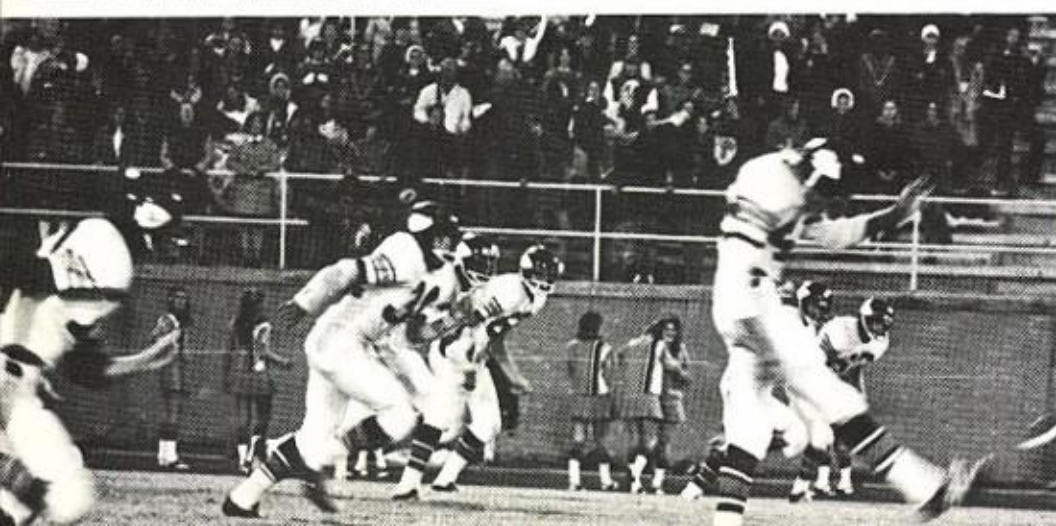

DODGE CITY 22 LARNED 7

The Indians victory celebration over Lyons lasted only until the following Monday for Larned's next opponent was the highly ranked Dodge City Demons. The week of the Dodge City game was definitely the Indians' toughest work out of the season. The coaching staff of Geier, Sneed and Burkes had the Indians physically and mentally prepared to "take it to 'em." Although the Indians played well, a few vital mistakes capitalized on by the highly touted Demons cost Larned the game. The Indians had, however, come closer to defeating the Demons than would any other WCKL team.

LARNED 14 HAYS 7

When the Larned Indians met the Hays Indians a battle of defenses resulted. Both teams failed to score by half time, but Larned hit paydirt first after four minutes of the third quarter. Hays scored near the end of the third quarter to tie the score 7-7. Larned came back to prove best in the clutch scoring in the fourth quarter to capture the victory.

PRATT 13 LARNED 12

The Pratt game was one the Indians desperately needed to win, lost, and thought they were cheated out of victory. The game was another defensive battle in which neither of the offenses broke for a big play. The hard fought football game was played in ankle deep snow and mud. This figured significantly in a questionable two point conversion attempt by the Indians which was ruled unsuccessful thus denying Larned the victory.

BALL HIGHLIGHTS"

LARNED 19 RUSSELL 0

The Indians 1971 Homecoming game was attended (but not enjoyed) by the Russell Broncos. For the first time the Indians played with the entire squad healthy and ready to go. The consequences proved disastrous for Russell as the Indians dominated the entire game. The smashing victory was the team's tribute to Homecoming Queen Marsha Young.

LARNED 13 GARDEN CITY 6

The Indians encounter with Garden City was highlighted once again by Larned's defense. The Indian's offense was only able to generate two drives, both of which resulted for vital touchdowns. Yet the defense proved the winning factor for the Indians with five impressive goal line stands, the last of which came in the closing seconds of the game.

LARNED 38 KINSLEY 8

Kinsley was at the mercy of an obviously superior Larned Indian offense and defense. By half time the "A" team had so humbled the Coyotes that the "B" team was inserted for the remainder of the game. Every member of the LHS football squad participated in the defeat of Kinsley.

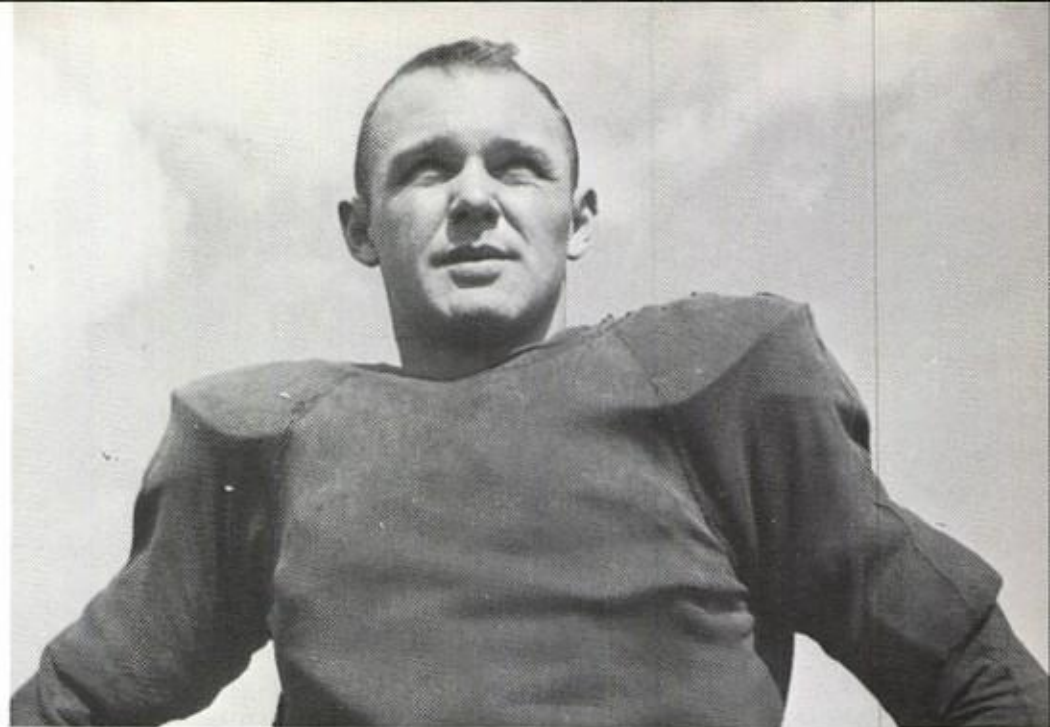

ELLINWOOD 14 LARNED 6

Ellinwood handed Larned one of the biggest disappointments of the season. All Indian hopes for making the state playoffs were crumbled as the Eagles battled to a 14 to 6 halftime lead and then held their lead in a battle of defenses in the second half for the victory.

GREAT BEND 8 LARNED 7

The Indians' final game of the season was another disappointment, this time at the hands of Great Bend. An injury crippled Larned team marched for the first score early in the first quarter. The Indian's lead held until Great Bend broke through for a score in the second half. A two point conversion by Great Bend proved the deciding factor in the heartbreaking battle.

The Indians thereby concluded the season with a respectable 5 win and 4 loss record.

SEASON WRAPUP

The 1970-71 basketball season has been a good season. The boys and coaches would naturally have liked to win all the games, but that would be quite a task in the tough W. C. K. L.

The season began with 4 seniors, 8 juniors, and 9 sophomores on the team. The starting line-up for the opening game against Lyons was David Fleske and Chris Gilkison at guards, Dean Zook and Roger Slagle at forwards, and Phil Loomis at the post position. David, Chris, Dean, and Roger were seniors and had been starters the year before, but Phil was a 6'4" sophomore without any varsity experience. The game was a good battle and our Indians won by a 64 to 57 score to start the season off right. Phil proved he could play with the varsity by leading the scoring with 19 points.

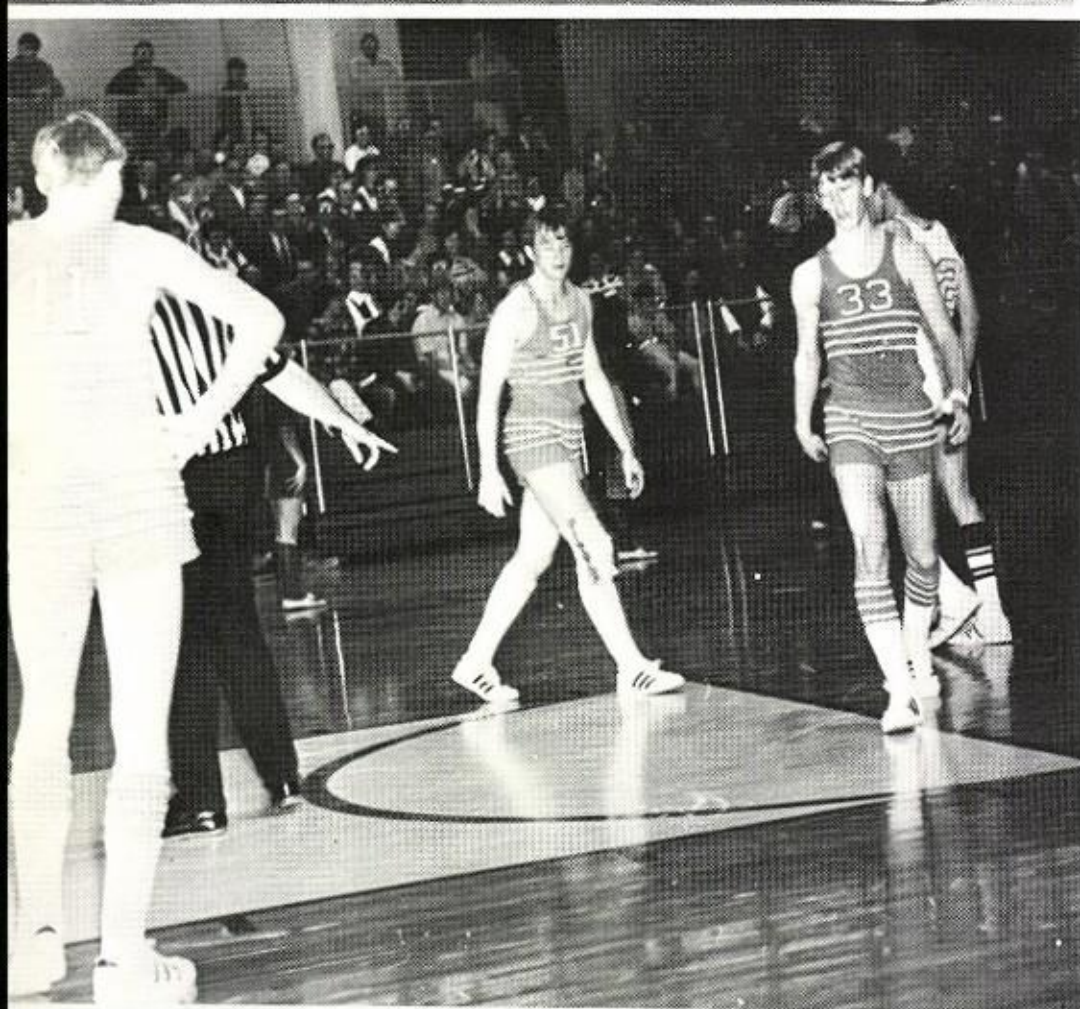

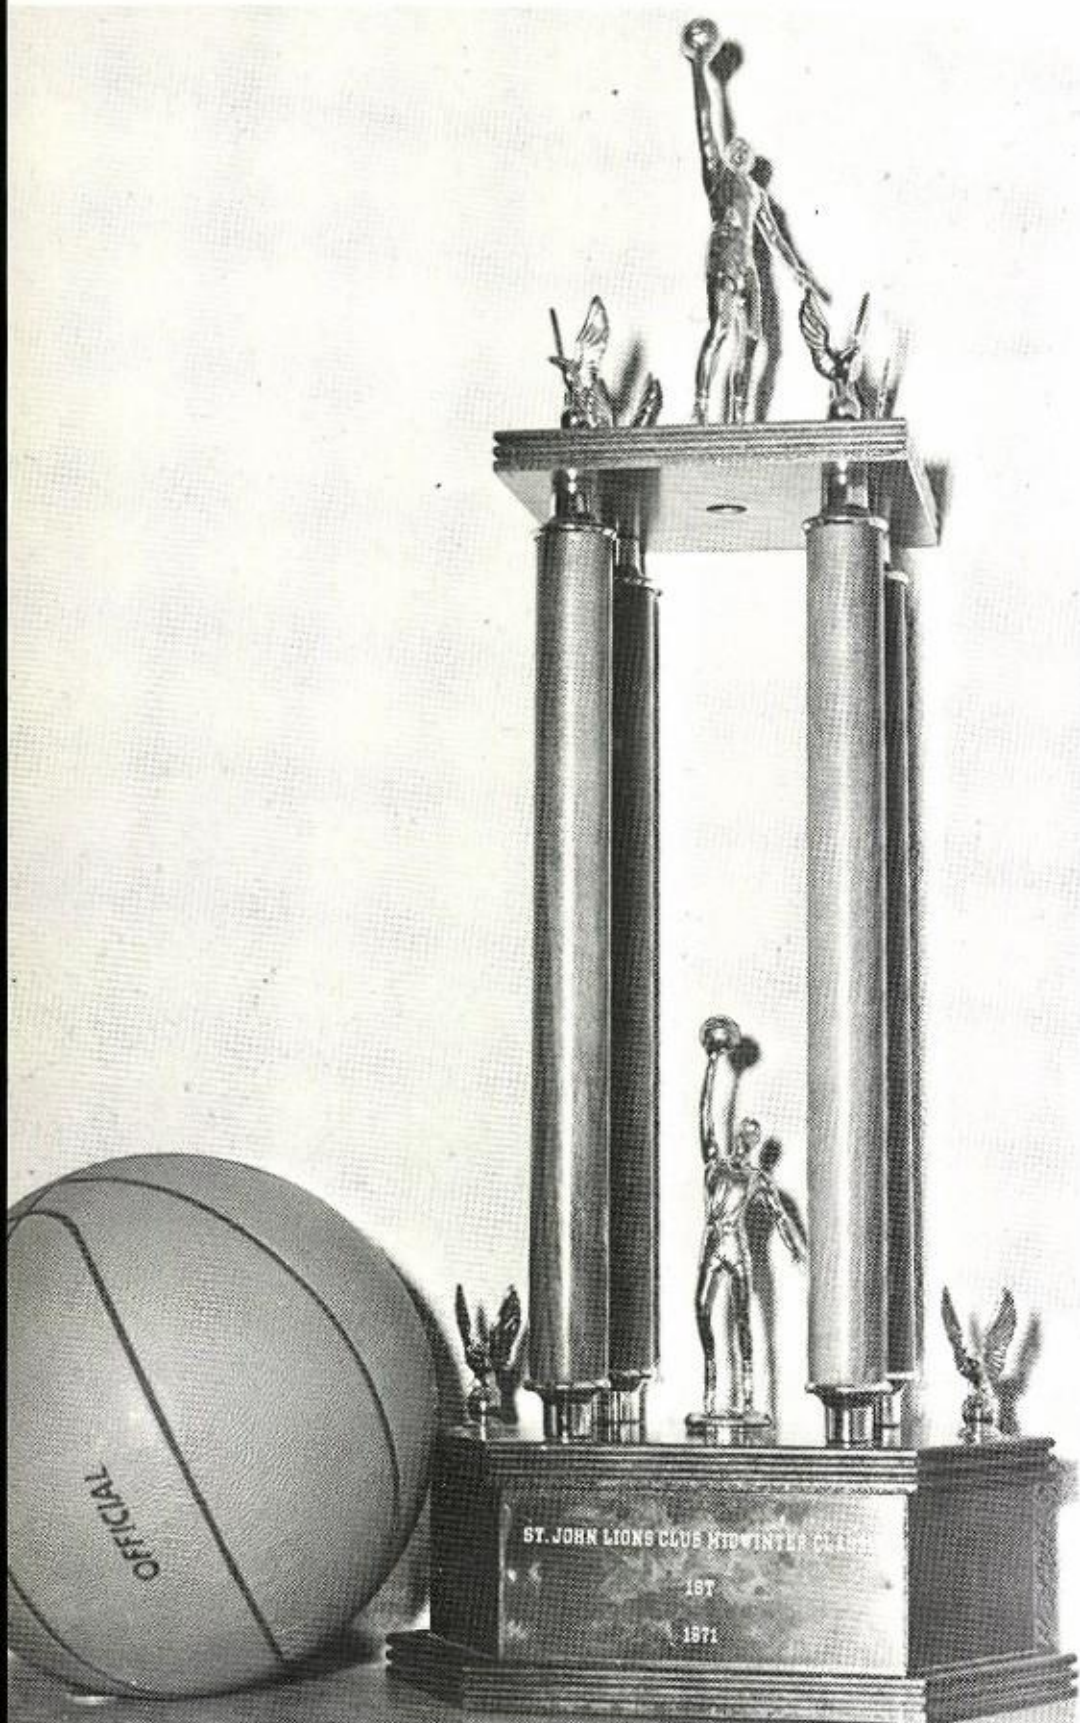

At the Christmas break our record was 4 wins and 2 losses and by the middle of January after playing three tough league opponents our record going into the Mid-Winter Classic at St. John was 4 and 5. We were seeded fourth in the tournament pairings and were to open the tournament against St. John. Sterling, undefeated going into the tournament, was rated no. 1. Our boys knew that if they could win against St. John we would play Sterling in the semi-finals; and that is just the way it happened. We defeated St. John 57 to 51 with Roger Slagle scoring 24 points. The next night our Indians played an outstanding game against Sterling and won by a 54 to 41 score. Dean Zook held Sterling's high scorer to just nine points. This was Sterling's first defeat of the season and our spirits were very high. This put us in the finals with Chaparral and a chance to bring the first place trophy home. After trailing Chaparral the first three quarters our boys came charging back in the fourth quarter and won the game by a 2 point margin 64 to 62. Roger Slagle and Phil Loomis each scored 19 points in this championship game. David Fleske and Chris Gilkison had outstanding games in the tournament both offensively and defensively and Ralph Lowrey, Zook, Slagle, and Loomis were outstanding also. This was the first time Larned had won first in this 8 team tournament so school spirit was at a high level for the next few weeks.

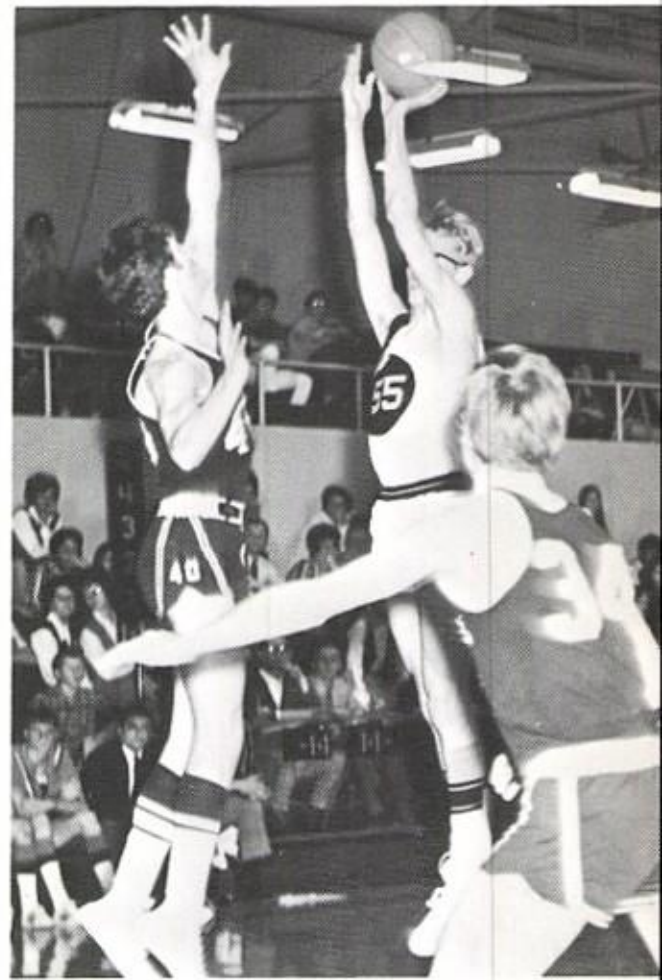

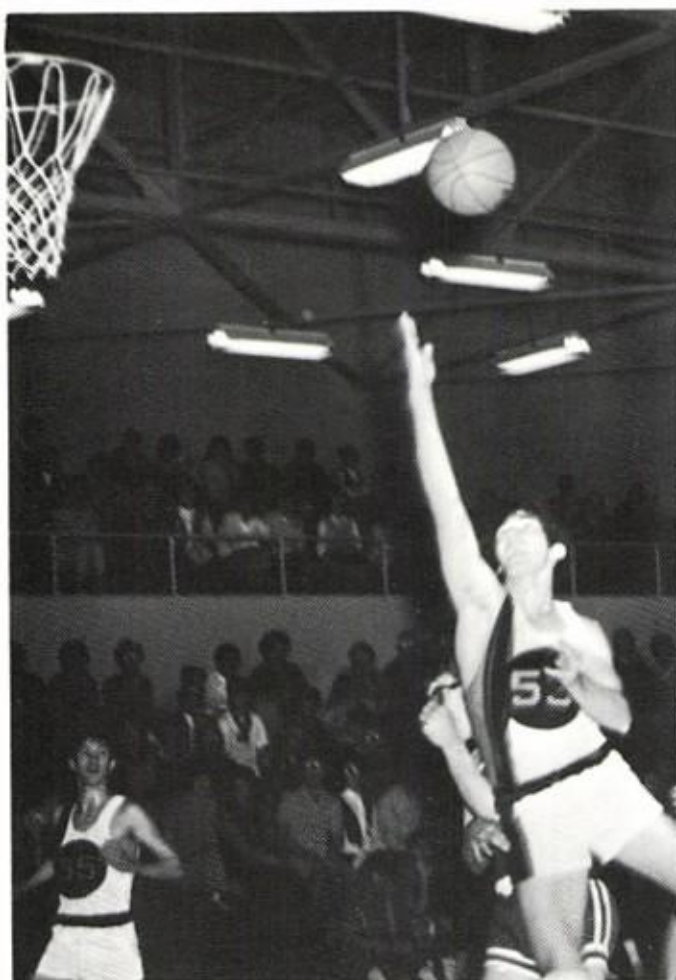

After the tournament and during the last half of the season, the Indians played some outstanding basketball games, winning all the home games except one but having trouble with our league opponents on the road. Our season record at the close of the regular season was 10 victories and 9 losses, all of our losses coming at the hands of our tough league members. Our team had not been defeated by any non-league opponents in regular season play.

The Indians finished out the season at the Pratt Regional Tournament. The tournament had several good teams in it but our boys felt they had an excellent chance of winning. We were paired against Medicine Lodge in the opener and had to battle from behind to win in the final 3 seconds with a jump shot from the corner by Roger Slagle for a 45 to 43 victory. In the semi-finals we played Kingman, the number one rated team of the tournament, and they proved to be just that as they defeated our Indians in a hard fought game 57 to 43. This defeat ended our chances of going to the State and we settled for fourth place in the tournament as Nickerson defeated us the next night for third place. This ended the Larned Indians basketball season with an overall record of 11 victories and 11 defeats.

Highlights of the season were: First place in St. John Tournament, a near victory over the WCKL champs Hays, and outstanding victories against Russell and Garden City at the end of the season here at home. We had a great squad of boys and it was an entertaining and exciting season for all.

Wrestling at L. H. S. this year has been a season of building for the younger team members and of experienced excellence for the 3-year lettermen. Four fine seniors closed out their high school careers with very respectable records and at the same time a half dozen or so underclassmen began their varsity years. The season was not as productive team-wise as I had hoped but I enjoyed working with all of the individuals.

This year the 1970-71 Varsity Cheerleaders attended camp in Minneapolis, Minnesota. The girls earned some of the money to finance the trip. Once there, they began learning new cheers, pom-pom routines, and crowd techniques. Each day the Spirit Seekers were graded on their spirit, drive, and ability. At the end of the session points were added up and a Grand Champion was chosen. Our girls tied for this honor with another group from Kansas. We congratulate the girls on their fine performance at camp and through the athletic years.

THE NATIONAL HONOR SOCIETY

The National Honor Society is the most selective organization in Larned High School. In order to be eligible, a student must meet the standards of Leadership, Character, Scholarship, and Service for which the National Honor Society stands. Membership is indeed an honor, but it also carries with it a responsibility. Once a student is a member, he should not only show the qualities which brought about his selection, but also try to improve himself and the conditions around him.

The students are selected by a faculty board which includes the principal, the counselor, and three teachers.

The class of 1971 was represented in assembling the newspaper and yearbook by 12 seniors, all highly skilled in the art of journalism. Although Mrs. Lee could not always find her 12 disciples, they did manage to appear just often enough to create this, the greatest annual in LHS history.

YOU CAN'T TAKE

Director Mrs. Morris devoted much time and effort to make the play a success.

Mr. Kirby (Steven W. Lewis) portrayed a pompous windbag, who became deflated.

The make-up crew did a fantastic job, and they received many compliments on their work. Here, Norma Clark puts the finishing touches on Boris' (Steve Long) hair and beard.

THE STARS

Mr. DePinna, played by Keith Bennett, was the milkman who came seven years ago and stayed.

Tony, played by Lonnie Snyder, and Alice, played by Susan Smith, fell madly in love.

Although the entire Sycamore family was entirely weird, Grandpa (Ron Gore) was sane.

IT WITH YOU SYNOPSIS

"You Can't Take It With You" is an extremely funny play, which revolves around the antics of the Sycamore family. Alice, a young, attractive girl, has reservations about bringing Tony to meet her somewhat strange family, which includes Mr. DePinna, who was the milkman that came and stayed, and who has been residing there for seven years, Penny who was always in a world of her own, and who always managed to say the wrong thing at the right time.

Tony is shocked, but understanding when he meets the family, but is not sure what his parents will think of them. His fears have good grounds, as Mr. DePinna blows the house up when Tonys' parents arrive.

Rheba (LeeAnne Stueckemann) was the maid to the whacky household, which seemed to affect her very little.

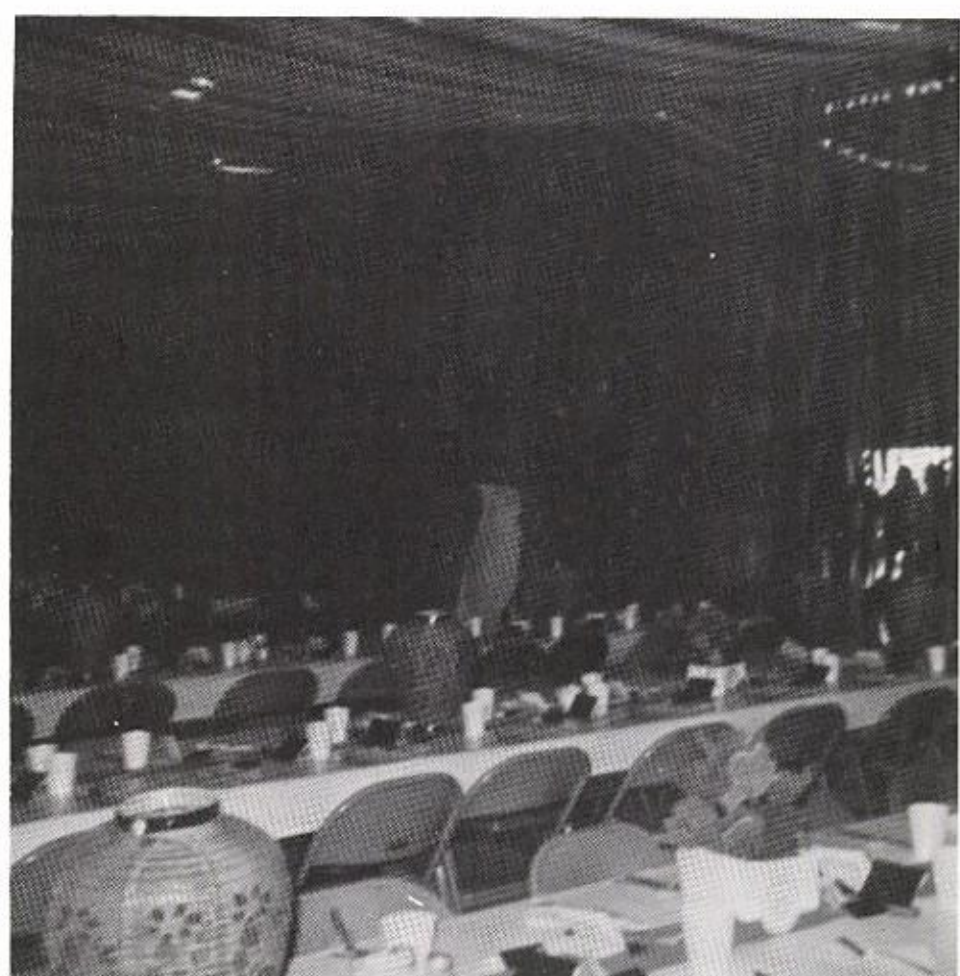

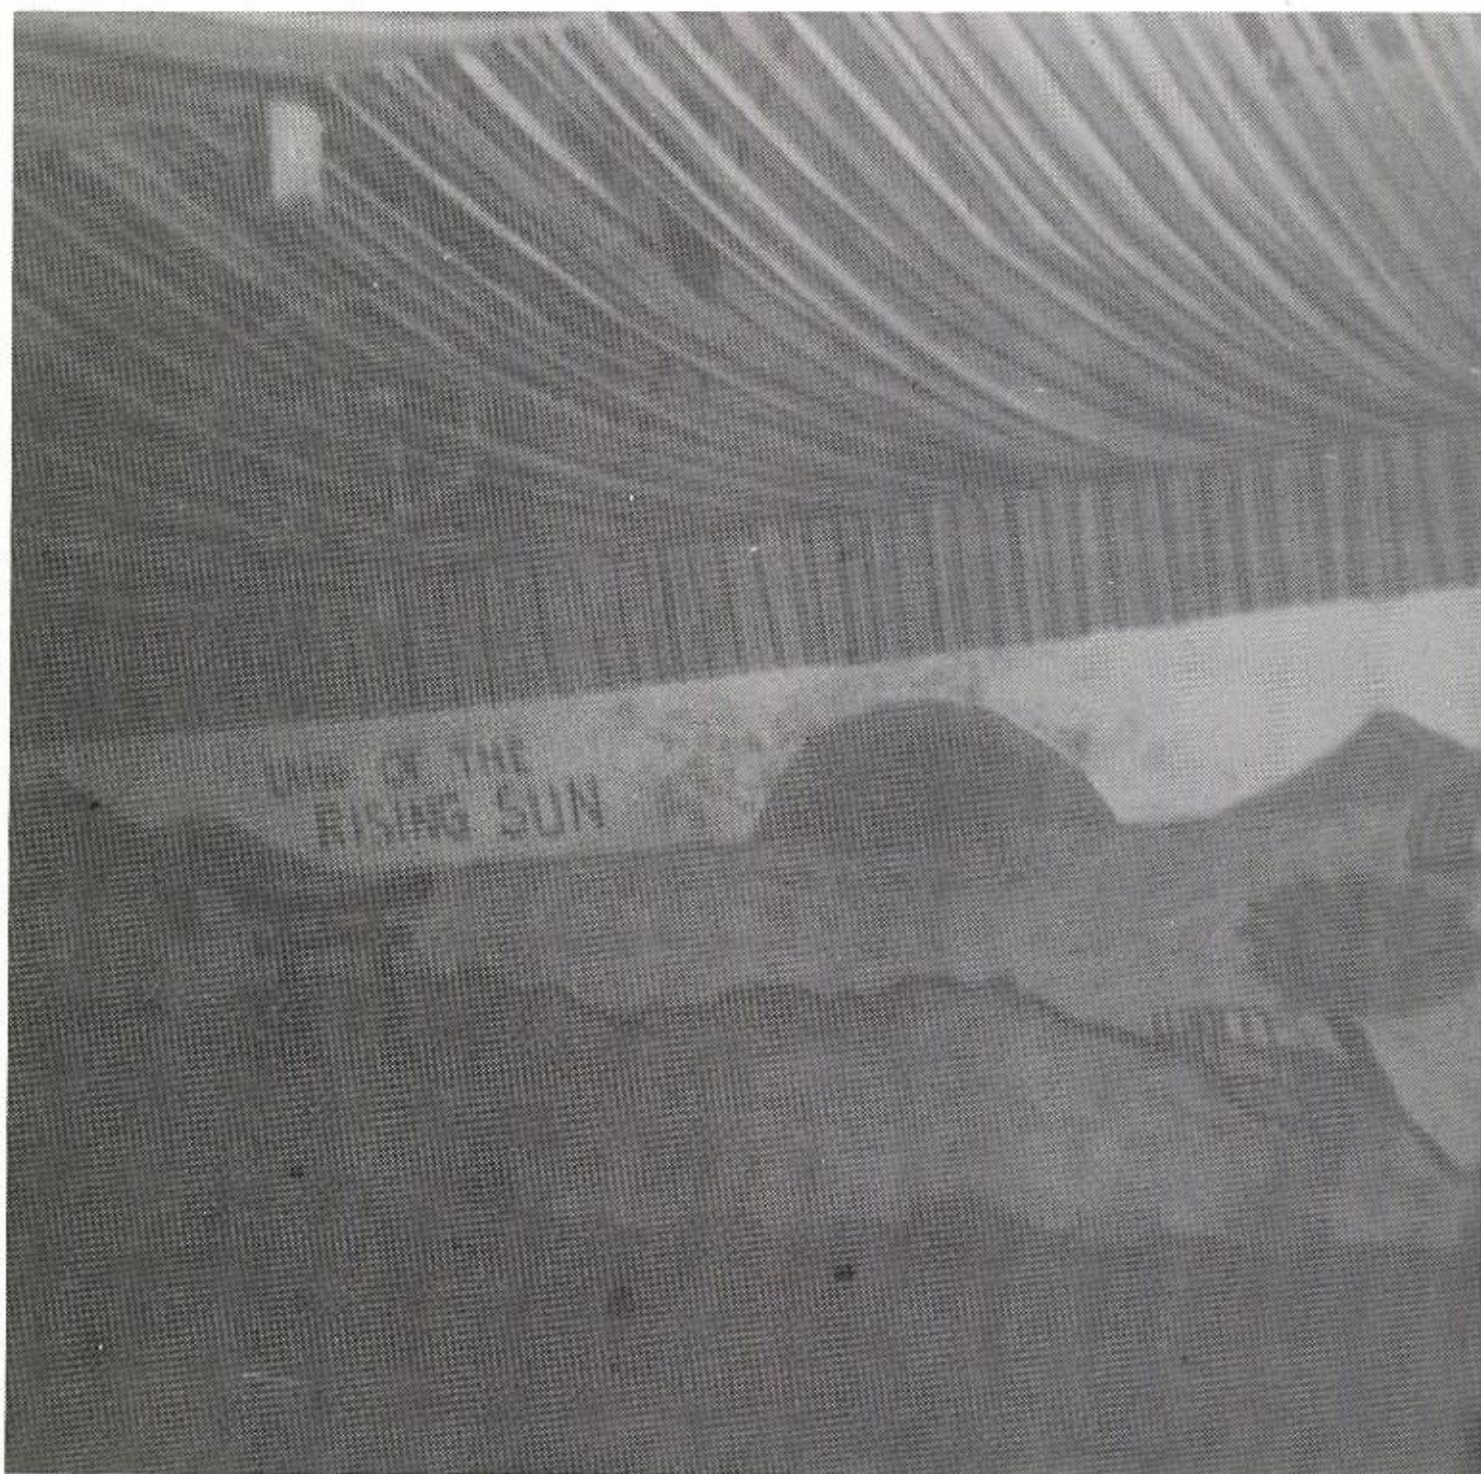

Looking at the world through rose-colored glasses, Penny (Debby Phinney) was very strange.

The 1970 Prom, "Land of the Rising Sun", was presented to the '70 Seniors on May 16, 1970 after many months of money making projects and a torturous week of hard, backbreaking work on decorations. Chicken chow mein was the main course of the banquet. The guest speaker was Dr. Terry Keeley who spoke on the need for more and better communication in society. Entertainment for the Prom was provided by a rock group from Nebraska, called the 'Evolution'. Consisting of eight members, the 'Evolution' supplied an evening of memorable music to make Prom the crowning event of the year.

BYE BYE BIRDIE

BYE BYE BIRDIE is one of the most captivating musical shows of our time. It tells the story of a rock and roll singer who is about to be inducted into the army. The singer, Conrad Birdie, is a mod teenage idol. Albert Peterson, his agent, needs Rose Alvarez, Peterson's secretary, to keep them moving forward in the world. Rosie concocts the final publicity stunt before Conrad's induction. He will bid a teenage girl goodbye with a kiss. Kim MacAfee, 15, in Sweet Apple, Ohio, wins the honor. Birdie becomes disgusted with life and sprints out of town with the teenagers. Rosie, still waiting for that band of gold from Albert after eight years, invades a Shriners' meeting. She then decides to become the Latin American spitfire that Albert's mother believes she is. Kim and Hugo, Rose and Albert are all reunited.

Above is the telephone scene in which the town of Sweet Apple is buzzing with the news that Kim has just been pinned by Hugo.

STUDENT INSTRUCTORS

From Fort Hays State University came three charming ladies to Larned High School to gain experience in the hectic world of teaching. The three ladies were Mrs. Della M. Forbes, LaCrosse; Miss Alma Lozano, Great Bend; and Mrs. Sandra Haun of Larned. Their brief tour of duty at LHS provided a rewarding experience for everyone concerned.

Don Fambrough, head football coach of the University of Kansas Jayhawks, flew to Larned on February 9 to personally sign LHS superstar athlete Dean Zook to a letter-of-intent to play football at KU.

Dean, a standout performer in basketball and track at LHS as well as football, had been chosen for the WCKL all-league team in his junior and senior high school years.

Pictured at right is LHS football coach Mel Geier, Coach Fambrough, and Dean Zook.

FIRE DESTROYS TRAILER CLASSROOM

Shortly before 6:30 on the morning of Friday, March 19, a faulty furnace erupted into flames in the trailer classroom at LHS destroying beyond repair the interior of the building. The early morning blaze forced all classes to other rooms for the remainder of the year.

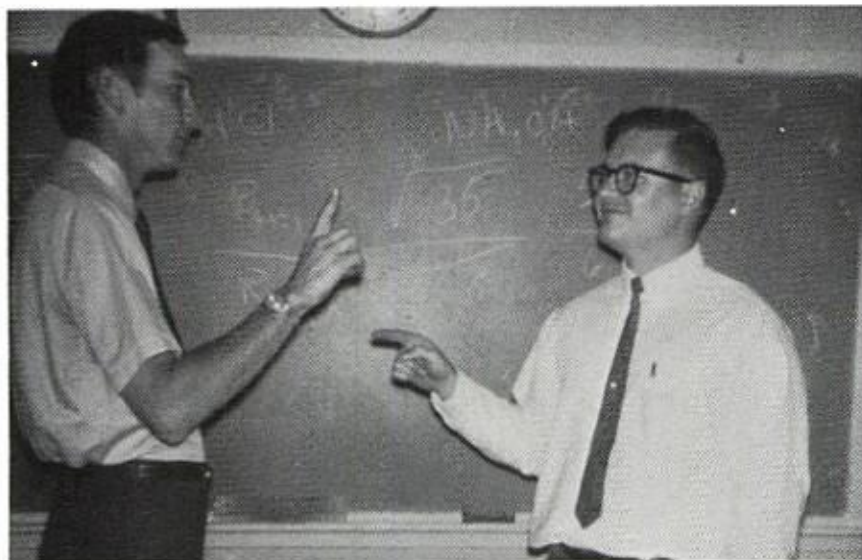

CANDIDS

Student Council officers in action.

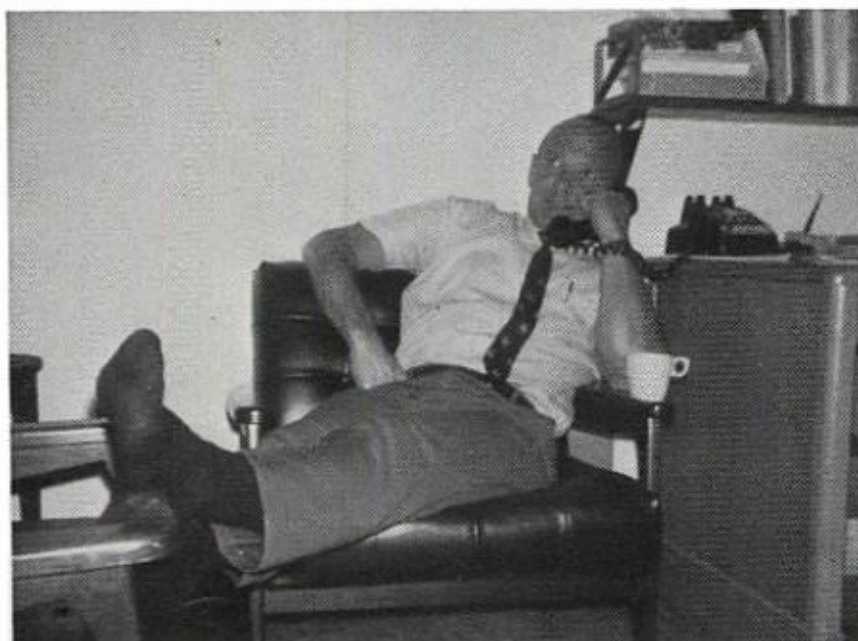

"See, I got it fixed!"

Could it be purely arbitrary or six of one and a half dozen of the other?

The Weird Brothers build an airplane.

"Yes, Mother, I'd like to see you again but I just can't find the time."

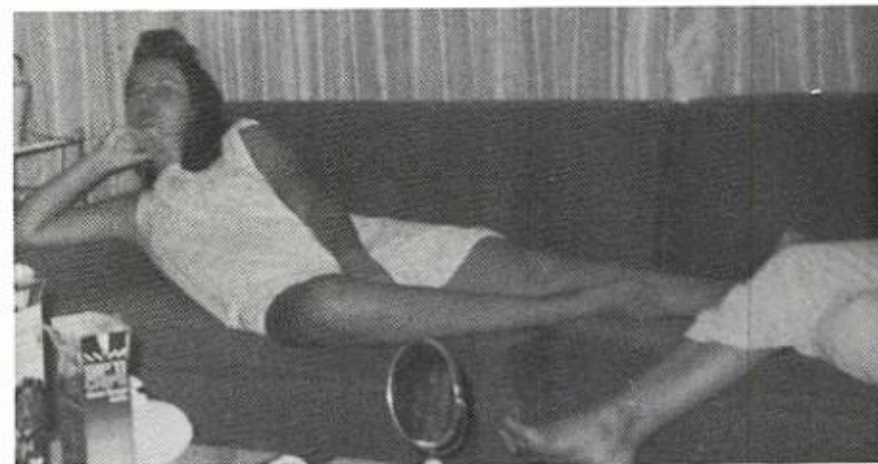

"Whatever made you think WE did it?"

"Where am I?"

Norma's slip is showing.

"Why don't ya come up and see me sometime?"

And so it ends. . . That point
in time known simply as the
Class of 71.

Another era ends with the
passing of 12 years we shall
never know again.

So ends the years when
responsibility meant simply
completing one's lessons
on time.

Now to scatter across the
horizons of this troubled
globe, never to assemble
as one again.

Enter we must upon this cruel
and violent world--hopefully
to improve it, knowing we may
be the world's last chance.

Twas fate that united us for
these brief years. May fate
be as kind in our future.

And as with all endings there
follows new beginnings--new
horizons to be explored.

In pursuance of God's Glorious
Will let us depart now to
explore our HORIZONS UNLIMITED.

Ronnie always remember the fun in English and Balzer stay as you are and you'll go far. Good Jack! I'm now 13"

playing with in band. Remember

about Gay Gregory's. Sometimes she
looked good. Next year we will both
be playing last chair. I know that I

Ronnie - To one sophomore I don't think I'll ever forget. Remember when I took you and David to the tournament at St. John. You two little drunkards were so hilarious I thought I'd die laughing. Thanks for taking me riding on your motorcycle. When I visit the drive-in this summer I'll probably pop over and get you so that you can attend all the drive-in parties. Remember band and all the crap we did and how much trash we put on during the tag. Also, don't forget soon and how many little pop quizzes we flunked. Ronnie, I can't begin to write down all the things that have happened since I met you, but please stay out of trouble. I almost forgot the night of Sno-ball when you and David were dragging around. Remember how bad you wanted that booze the Steve and I had taken from their garage? I'll never forget the expression on your faces when we held that bottle up. You were a real gas at prom - I sure wish that I had spiked that punch. Be good and make the best of your high school years' cause if you don't you'll regret all the parties you missed. I wonder if that stoner ever got taken back from the musical - remember how cool the stage crew was. We did more goddamn work for that thing and all we got back was a lunch of shit from ^{that} pregnant bitch, Meckfebel. Don't cause too much trouble for the teachers (except Fisher) cause someday you'll realize how important a part they played in your life. I kinda regret having to leave this place but I know it's in good hands with you and David. (<That's really a bunch of bullshit - when you take over, this place will collapse!) I'll see ya around here or there this ~~summer~~ and if you don't have anything to do, come out and see me and my Mom at 11:30 at night sometime. ^(remember) Put in a good word to David for my little sister, Karen, would ya?

Love and Kisses,
